PSP/RTKL Request N° 2018-1147

Dear Mr. Maass:

On December 31, 2018, the Pennsylvania State Police (PSP) received your request for information pursuant to Pennsylvania's Right-to-Know Law (RTKL), 65. P.S. §§ 67.101-67.3104, wherein you state:

Pursuant to the Pennsylvania Right to Know Act, I hereby request the following records:

Materials related to this agency's acquisition of, access to, preservation of, or disclosure of automated license plate readers (ALPR) or ALPR data:

1. Policies related to the adoption of ALPR technology, including those guiding the procurement process or necessary administrative obligations before acquisition.
2. Training policies, requirements, and materials for automatic license plate reader system operators.
3. Databases used to compare data obtained by the automatic license plate reader system.
4. Policies related to the retention and security of captured ALPR data, including those regarding:
 - the length of time after capture that data may be preserved
 - exceptions to general data preservation policies
 - internal data security and access
 - data destruction

5. Policies related to the sharing of captured ALPR data by this agency with other agencies, including those directing:

- the manner in which another agency may request data
- the circumstances under which captured data may be shared, and
- the responsibilities of the recipient agency in regards to data retention and use.
- access by this agency to data obtained by automatic license plate reader systems not operated by the law enforcement agency.

Please also provide the number of requests made by outside agencies, if applicable.

6. Policies related to the sale of data or the sharing of data with non-law enforcement actors.
 - If applicable, please provide all agreements between this agency and non-law enforcement actors.
7. Policies regarding oversight of automatic license plate reader system use.
8. Audit Reports
9. Policies related to maintenance and calibration

Please also provide maintenance and calibration schedules and records for the system on file.

10. Any other policies or reports on subjects related to automatic license plate reader system use by the agency.

A copy of your request is enclosed. By letter dated December 20, 2018, you were notified in accordance with RTKL section 67.902(b) that PSP required an additional thirty days to prepare this final response to your request.

PSP determined it does not have any records in its possession, custody, or control that respond to your request. A supporting verification confirming this assertion accompanies this final response letter. Pursuant to the decision in *Jenkins vs. Pennsylvania Department of State*, "It is not a denial of access when an agency does not possess records and [there is no] legal obligation to obtain them (see, e.g. section 67.506 (d)(1)." *Jenkins vs. Pa. Dep't of State*, Docket No. AP 2009-065 (available at, <http://openrecords.pa.gov>))." After contacting the PSP Bureau of Criminal Investigation, it was confirmed there are no policies, reports or databases responsive to your specific requests.

To the extent that your request seeks or may be construed to seek records pertaining to covert law enforcement investigations, including, intelligence gathering and analysis, the PSP can neither confirm nor deny the existence of such records without risk of compromising investigations and imperiling individuals. Under No Circumstances, therefore, should this final response be interpreted as indicating otherwise. In all events, should such records exist, they are entirely exempt from public disclosure under the RTKL and Criminal History Record Information Act, 18 Pa. C.S. §§ 9101-9183.

In closing, you have a right to appeal this response in writing to the Office of Open Records, 333 Market Street, 16th Floor, Harrisburg, PA 17126-0333. The appropriate OOR appeal form is available for your use at, <https://www.dced.state.pa.us/public/oor/appealformgeneral.pdf>. If you choose to appeal, you must do so within 15 business days of the mailing date of this response, and send to the OOR: 1) this response; 2) your request; 3) the reason or reasons why you think PSP wrongfully denied your access to the requested records. (*a statement identifying any flaws in the reasons provided above as to why a requester is not subject to access the requested records under the RTKL*).

Respectfully,
